Science, Technology, Engineering, Math (STEM) Night

Join us on Monday, starting at 3:35 pm for our annual STEM night. We will have math games, food, and lots of fun. We will have prizes and a raffle to win a change to PIE Principal Lam or another teacher. Students must be accompanied by an adult to attend.

Girls on the Run!

Girls on the Run inspires participants of all abilities to recognize their individual strengths while building a sense of connection in a team setting. Volunteer coaches facilitate lessons that blend physical activity with life skill development to enable participants to adapt to whatever comes their way. At the end of the season, the team completes a 5K together, which provides a tangible sense of accomplishment and sets a confident mindset into motion. It's free to join and open to girls in grades 2nd – 5th. If you are interested, please stop by the main office for an application.

Immunization Forms

Health physicals and oral health assessments are required annually. Students also must be current with their immunizations to attend school. As outlined below, a series of medical forms should be turned in to the school as part of the enrollment process, and any updated forms throughout the school year should be submitted to the school nurse.

The following documents are part of the [DCPS School Enrollment Package](#):

- [Universal Health Certificate](#) (required annually for all grades, documenting immunizations, tuberculosis assessment, lead screening and a physical exam). If you have questions about DC's immunization requirements, please discuss them with your child's physician. You can also contact DC Health's Immunization Division at (202) 576-7130.
- [Oral Health Assessment](#) (required annually for all grades)

Kids Ride Free Metro/Bus Cards

The Kids Ride Free program allows students enrolled in DC Public Schools, DC Charter Schools, and DC private/parochial schools to receive a KRF SmarTrip card for free travel to and from school and school-related activities within the District of Columbia, using Metrorail, Metrobus or the DC Circulator. Please contact the main office (202-939-5390) if your student needs a Kids Ride Free card for the new school year for the bus or metro.
